

Кой от детайлите долу е липсващата част от рисунката? Оградете го.

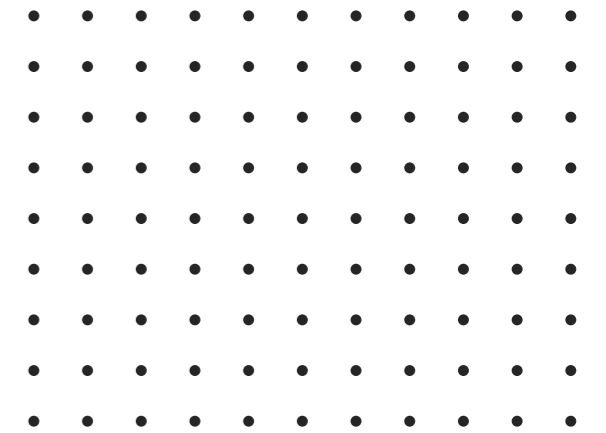

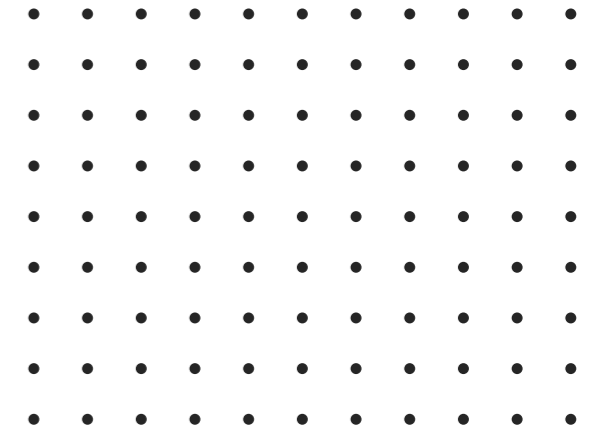

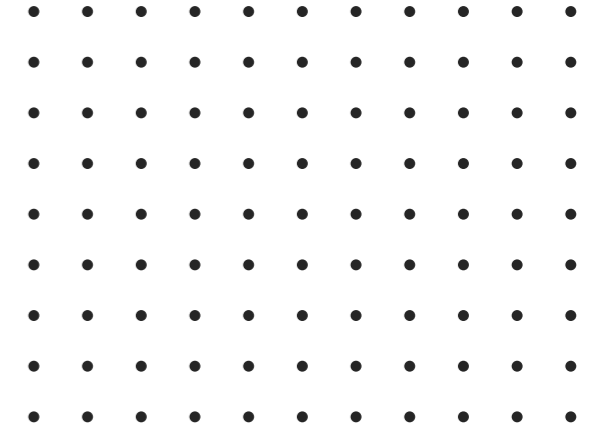

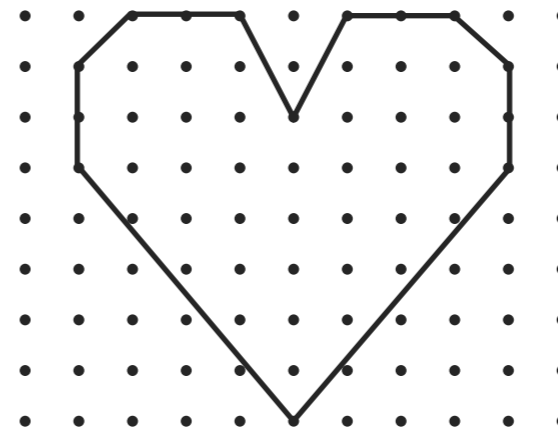

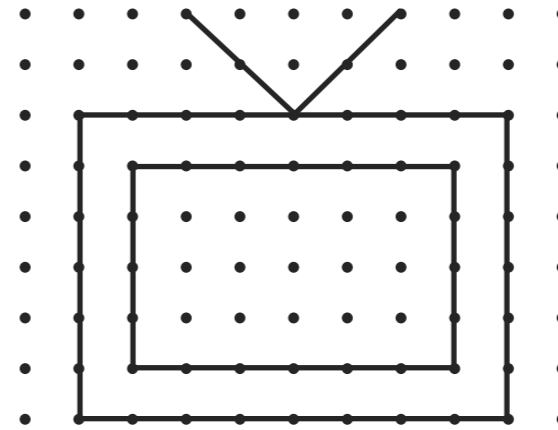

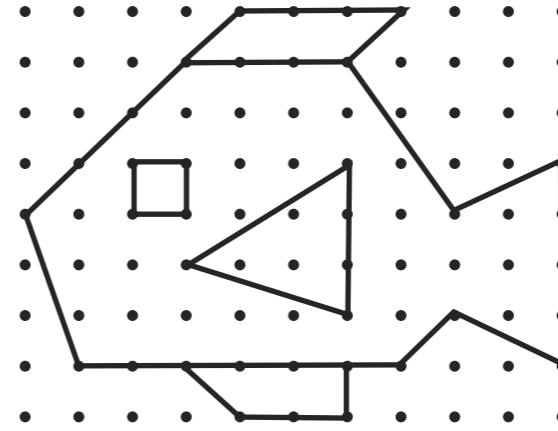

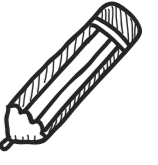

Оцветете в еднакъв цвят облачето и звездата, която показва сбора.

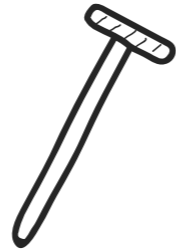

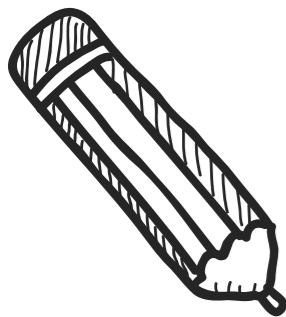

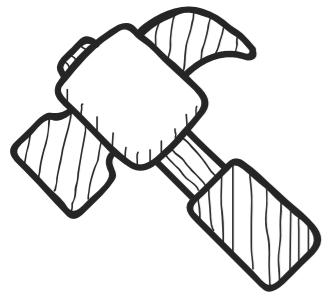

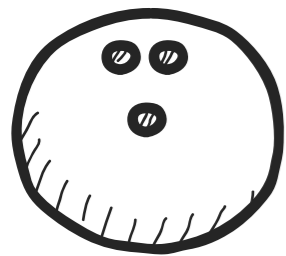

Нарисувайте моделите в мрежите от точки.

Свържете по двойки предметите,
както си подходат.

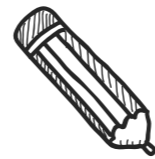

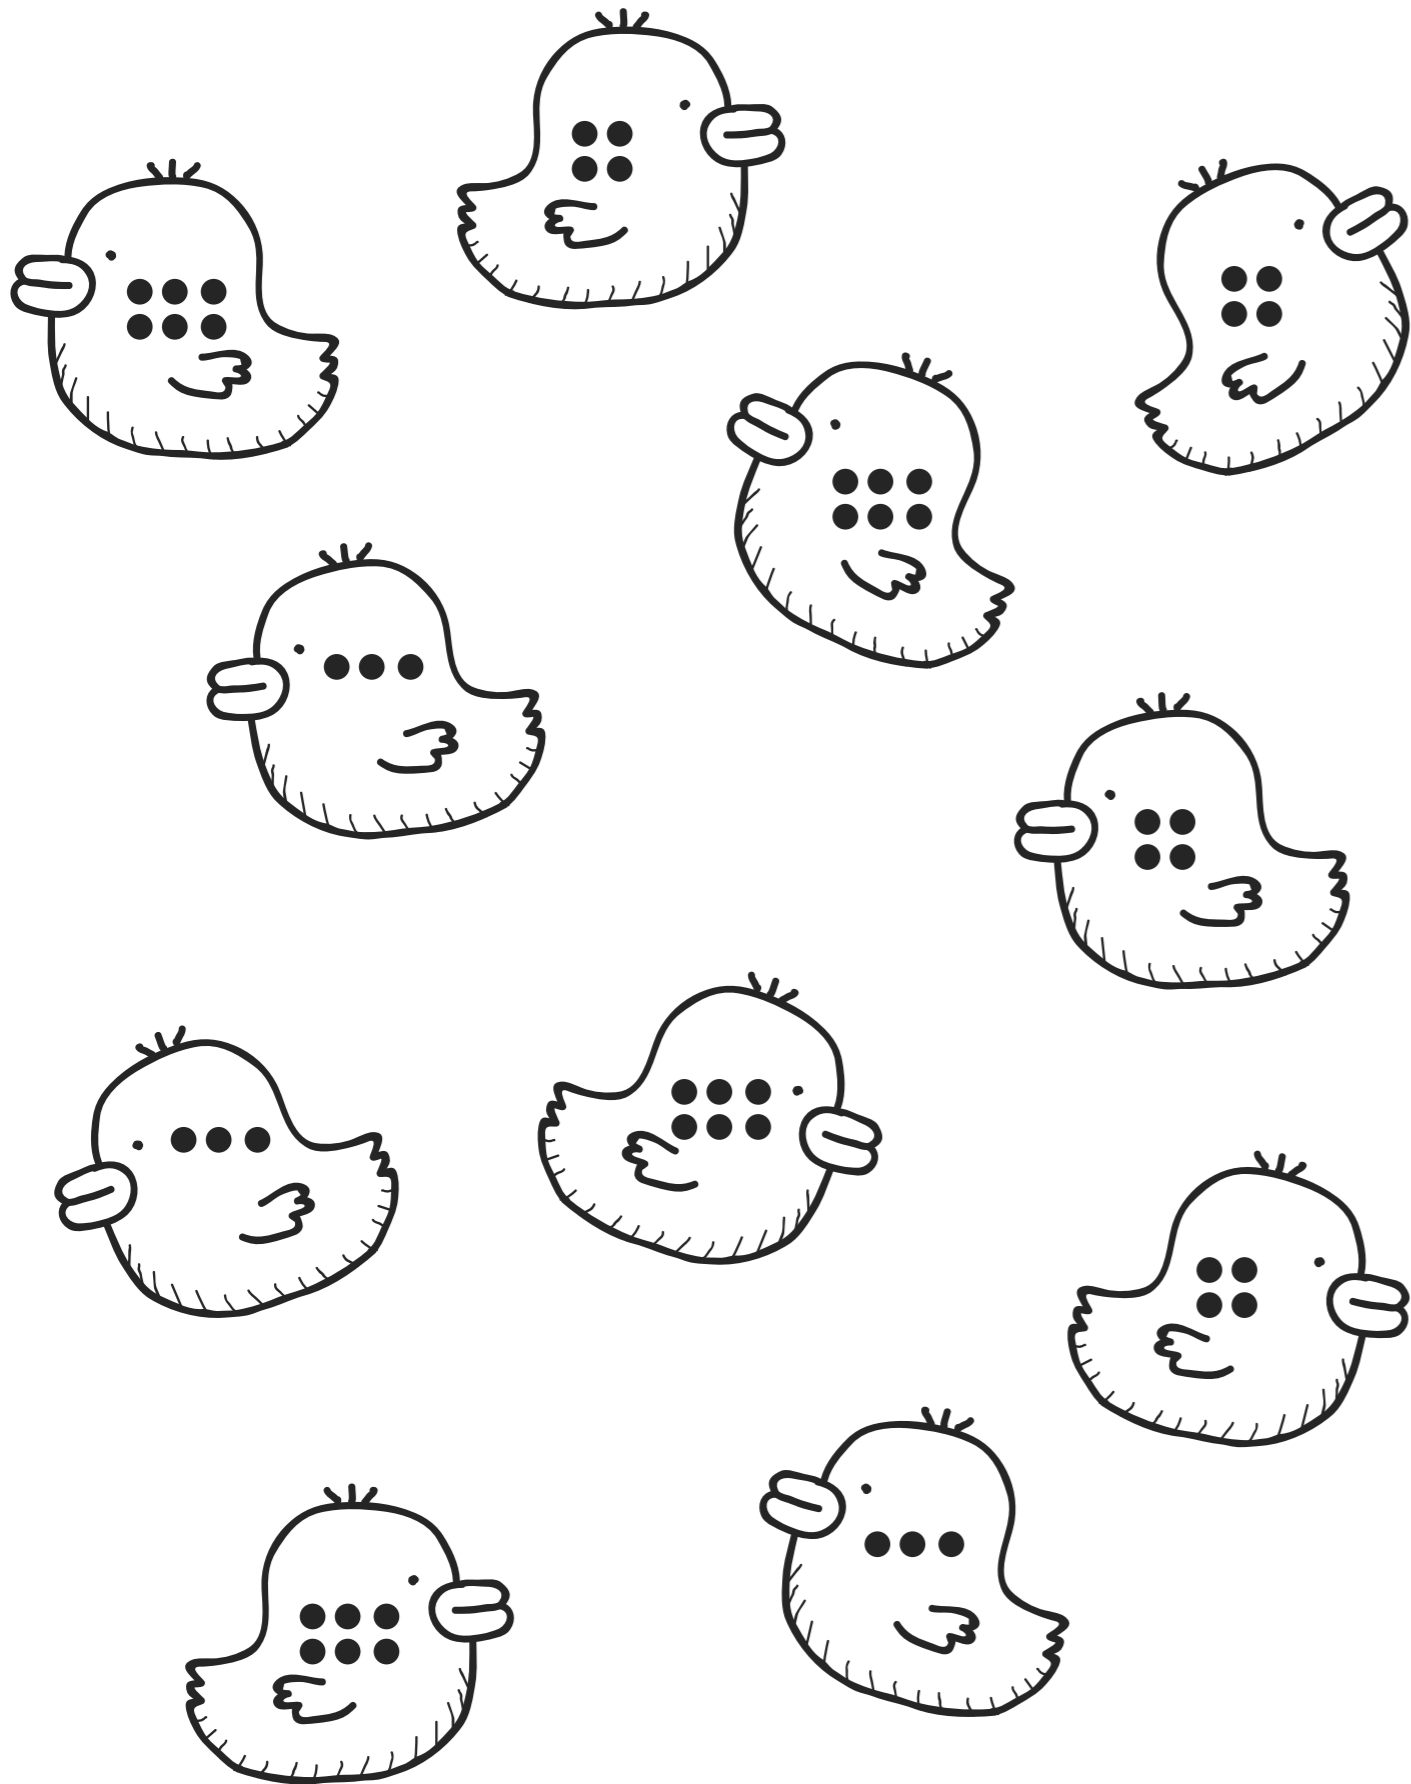

Помогнете на Дядо Коледа да мине
през лабиринта и да стигне до
еленчето Рудолф, като се движи само
по полетата със снежен човек.

Оцветете в еднакъв цвят патетата с еднакъв брой точки.

Наляво или надясно? Оцветете стрелката, която показва посоката, в която се движат тракторите, и повторете пунктира, като движите молива в същата посока.
