

Оцветете в жълто плодовете,
които са жълти и в действителност.

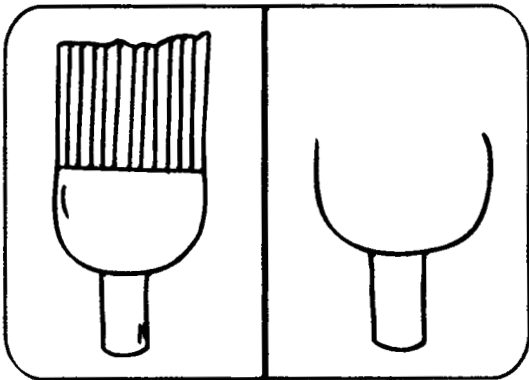

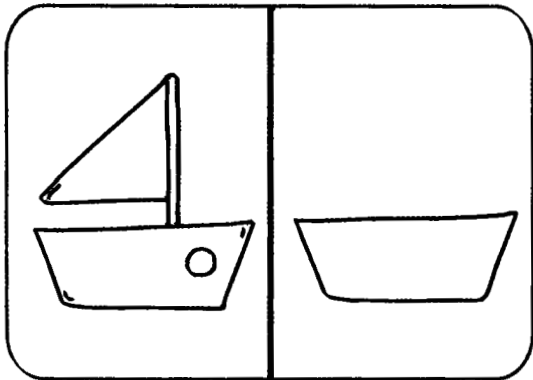

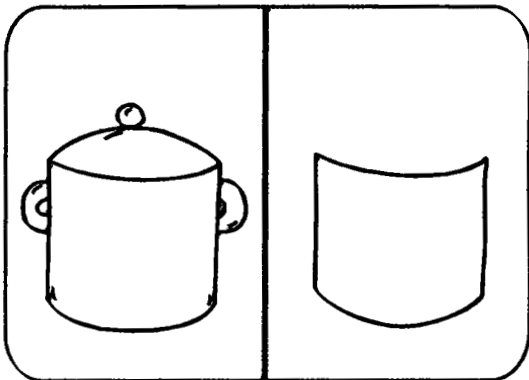

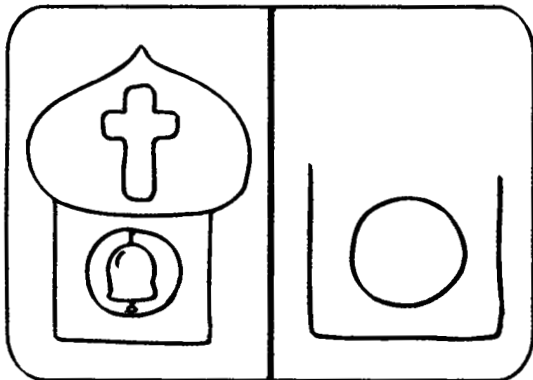

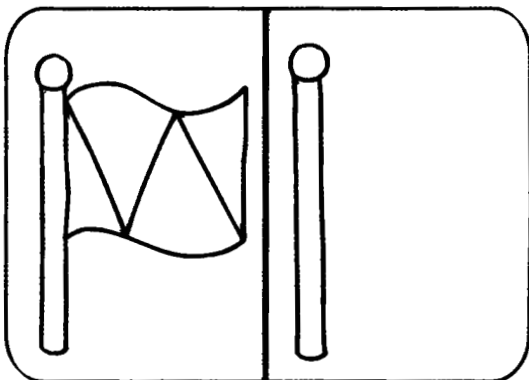

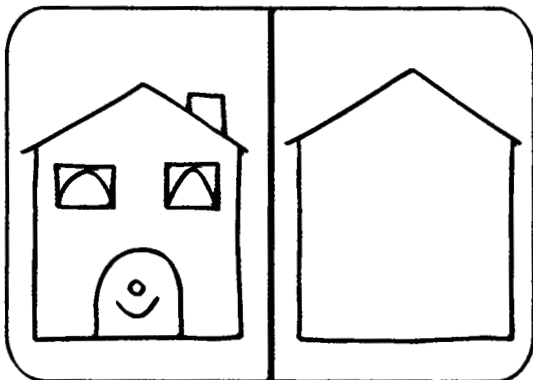

Оцветете това, което лети, в синьо,
а това, което пълзи – в червено.

Какво красиво звездно небе! Дорисувайте по пунктираните линии, като следвате стрелките.

Свържете с линия еднаквите предмети.

Дорисувајте картинката вгласно,
како следвате модела вляво.
