
A vibrant winter illustration. On the left, a large brown deer with large antlers stands in a snowy landscape. A small mouse is perched on one of its antlers. A small spotted fawn stands in front of the deer. In the center, a red bird with a blue hat and scarf is perched on a blue vine. To the right, another red bird with a blue hat is perched on a branch. The background is filled with snowflakes, holly leaves with red berries, and various green plants. The scene is framed by a decorative border.

Мечо,
къде си?

Никъде
не виждам
мечето...

A vibrant winter illustration. On the left, a large brown bear with a red and orange striped scarf looks towards the right. In the center, a small brown bird with a red breast flies. To the right, a mouse is perched on a snow-covered branch, looking up. The background is filled with snow, pine branches, and various birds. Two yellow stars hang from the top. The scene is festive and whimsical.
