

Можете ли вече да броите?

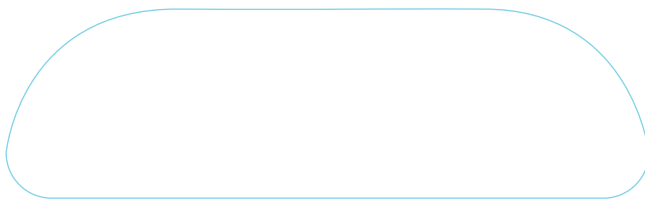

Тук виждате 3 вида динозаври. По колко са динозаврите от всеки вид?
Отбележете с точки броя им до всяка рисунка горе.

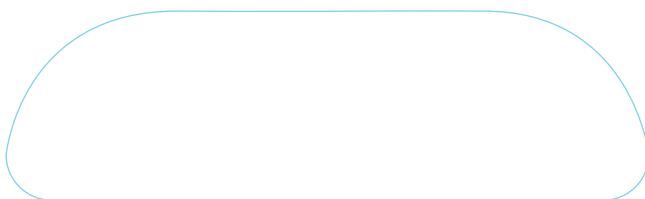

Вижте колко бързо летят птиците!
Повторете с молив по пунктираните линии.

Катерицата и охлювчето
са най-добри приятели. Намерете 5-те разлики.

Какъв цвят е всяка птица?
Свържете с линия.
